

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

EMPLOYEE PAINTERS' TRUST et al.,

Plaintiffs,

v.

LORN COATINGS LLC, a Washington
Limited Liability Company; CHONA J.
LORN, an individual; and THAVY LORN,
an individual,

Defendants.

CASE NO. 2:23-cv-00022-TL

ORDER TO SUPPLEMENT

This matter is before the Court *sua sponte*. Plaintiffs have filed a Motion for Default Judgment (Dkt. No. 14). Among other materials, Plaintiffs provided the written trust agreements for only four of the Plaintiff Trusts. *See* Dkt. No. 15-1. However, these agreements do not appear to account for the rates of interest and liquidated damages applicable to each trust and detailed in the account statement. *See* Dkt. No. 15-3). Further, given the passage of time since Plaintiffs filed their motion (through no fault of their own), the calculated prejudgment interest is now significantly out of date.

1 Accordingly, Plaintiffs are DIRECTED to file, **within fourteen (14) days** of this Order:

2 (1) All applicable trust agreements, along with pincites to those agreements that identify

3 the applicable rates of interest and liquidated damages for each trust.

4 (2) An updated prejudgment interest calculation.

5 Dated this 30th day of August 2023.
